## Menu Tasting

***Thank you for choosing Stillwell House for your event. We look forward to scheduling your complimentary tasting of your top (3) entrées from the menu packet. Tasting can be arranged for either onsite or to go and will take place in 1901 Bar Room. If dining with us or taking to enjoy at home, please come to door off main driveway marked 1901 and we will assist you. Please note that the tasting is complimentary for two guests. Any additional attendees will need to be prearranged and are an additional cost.***

### 1. WHAT WE WILL NEED FOR THE TASTING

*Your top (3) menu selections from the menu packet you wish to sample. Please inform us of any food allergies and dietary restrictions. Additional entrées are available to sample at menu cost. Due to limited kitchen inventory, salads and appetizers are not available to sample.*

### 2. TASTING SELECTION OPTIONS

*We can typically make slight modifications to recipes and side dishes - pricing will vary. All base menu pricing will be honored as per your contract but any upgraded menus and/or additions will be subject to current menu pricing. When doing a choice of menu, all sides must be universal and you will need to select two to compliment your selections ie; starch and vegetable with the exception of the vegan entree, all vegan entrees will come as listed.. Only the entrée is to be chosen by your guests on your invitation response card. Please see page (22) of our menu packet for more info.*
